

LETTER OF AGREEMENT

We undersigned organisations hereby express our acceptance to be part of The European Knowledge Community of Welfare Technology (ECWT) and our willingness to contribute to its actions. We have been informed about the [action plan](#) proposed by project consortium.

We acknowledge that founded ECWT consortium will make the final action plan and set the goals. Additionally, we intend to support the ECWT consortium in awareness raising and the dissemination via our communication channels.

We understand that membership in the consortium does not entail any financial obligation for any member or associated partner.
